A passport is required for your trip to Solomon Islands and must be valid for at least six months from the end of your trip. You will need to carry your diver certification card and proof of current evacuation insurance, for example, your DAN card. If you have not already signed a Trip Form you will be required to sign one on board.

BAGGAGE ALLOWANCE

Many airlines worldwide are now reducing luggage allowances, local or domestic flights may be particularly restrictive. Changes to luggage limitations can go into effect at any time. Please contact your ticket provider for up-to-date information regarding luggage allowance for your flights to the Solomon Islands. Substantial overweight charges will apply to baggage in excess of allowances set by the airlines so plan and pack carefully.

If time permits Bilikiki Cruises baggage tags will be sent to you. These should be attached to your checked luggage on your flight into Honiara. These tags are mostly to assist our staff spot you at the airport. Do not worry if time does not permit bag tags to reach you, they are not critical.

VOUCHERS

You do not require a voucher for your trip on board our vessels. However, if you have hotel or bookings with other operators be sure to present your voucher at check in. Bilikiki Cruises is not responsible for costs incurred due to client's failure to present vouchers.

TRANSFER INFORMATION FOR HONIARA

All passengers will be met at Honiara Airport by Bilikiki Cruises' staff and transferred to the ship if arriving on the sailing date, or to their hotel if staying on shore prior to the sailing date. Please confirm transfer arrangements to the ship on your first meeting with Bilikiki Cruises' staff. If you arrive in Honiara earlier than three nights prior to sailing you will need to arrange your own transfer from the airport to your hotel. Honiara airport is small and our staff should be easy to spot, they will be wearing Bilikiki T-shirts and holding a "Bilikiki" sign.

On the day the trip sails there are flights arriving throughout the day and we generally transfer guests to the Mendana hotel where they can relax and have a cool drink or perhaps have a look around town before boarding the vessel around 4PM. Luggage will be taken directly to the boat so there is no need to look after it.

After your cruise, Bilikiki Cruises' staff will transfer you to the airport or to your hotel if you are staying on in Honiara. If your flight is within the next three days Bilikiki staff will transfer you to the airport from your hotel for your flight out. If staying in Honiara longer than three nights you will need to make your own transfer arrangements to the airport.

Please take the time to read the Welcome Aboard Notes sent to you when you originally booked your trip, they answer all of the commonly asked questions.

Have a great trip
